

BODYSHOP SERVICES

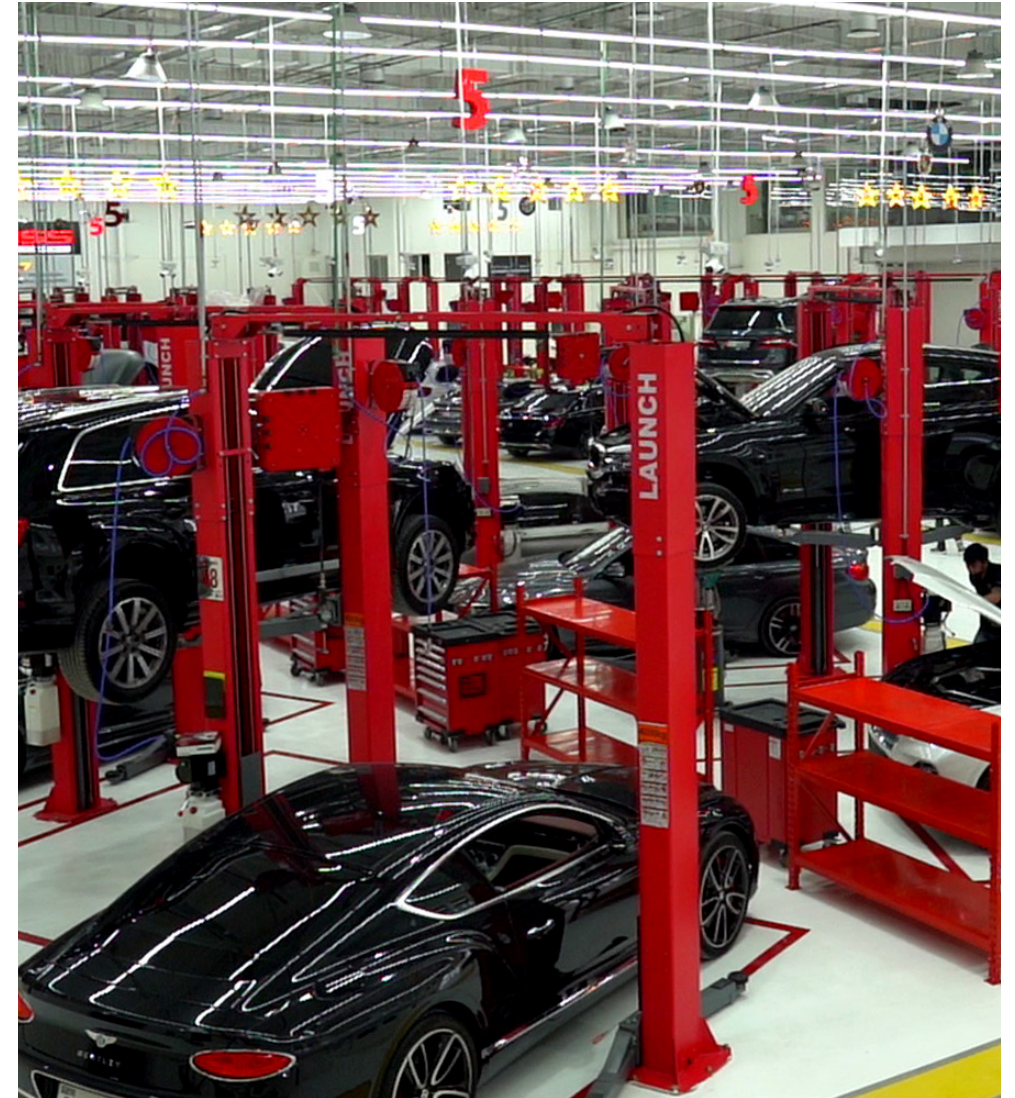

About Us

Having our state-of-the-art luxury car service center, one in the capital of UAE Abu Dhabi, and 3 more in Dubai with all the latest diagnostic equipment to constantly facilitate better care for your vehicles.

Our constant growth is due to the dealership range services that we offer at the most competitive prices.

With over 18 years of experience in the automotive industry we have gained our own network of customers in and around the UAE through our professionalism and credibility.

From complex electrical and mechanical services to the classy detailing works, everything is made available with us from the hands of the experienced technicians.

Who we are?

We at Royal Swiss Auto have mastered the paint and body repair services needed for your vehicle maintenance in the UAE. With our well equipped paint booths and body repair workshops along with the experienced technicians we have gained our own pride in the auto repair industry.

We extend our hands in providing the full range of body and paint solutions in an affordable way that protects your car exterior and increases its value.

In short, we are the perfect choice to provide better shielding to your vehicle.

Why choose us?

- Certified paint and body repair shop in Dubai & Abu Dhabi
- Smart tech paint booths
- Experienced technicians, denters & painters
- Latest Cutting edge technology
- Professional customer support
- Quality assurance, convenience & trust
- Warranty certificates for both labour and parts work as per norms.
- Faster turn around time of vehicles
